

## Al Ain Chapter Newsletter

Welcome to all TESOL Arabia members. I hope you had a nice summer. Congratulations for those who have joined our organization this year. I am sure you are going to benefit a lot from our activities that go on almost every week all over the UAE. You can yourself share in our activities not only by attending them, but you can also give a workshop or a presentation. Actually, our objective in TESOL Arabia is that professionals share experience and expertise. So please go ahead and consider sending your proposals, ideas, tips, or activities that have worked for you in your classrooms. They are all welcome. Here, I would like to encourage first-time presenters. You can also give a co-presentation with a colleague of yours. Why not giving it a try, then ? Please have a look at the schedule, choose a date and email me as soon as possible. I am looking forward to hearing from you very soon.
