

Al Ain Chapter Newsletter

Welcome to all TESOL Arabia members. Congratulations for those who have recently joined our organization. I am sure you are going to benefit a lot from our activities not only in Al Ain but throughout all the UAE in our seven chapters. Please be an active member and encourage your colleagues and friends to join TESOL Arabia. This is how we can expand.

Actually, we had positive feedback about our past events and I would like to thank all the members who participated. I also extend my thanks to our presenters. I would like to invite you to share in our activities not just by attending them, but you can also give a workshop or a presentation. Our aim in TESOL Arabia is that professionals share experience and expertise. My request, then, is that you consider sending a proposal, an idea, a tip, or an activity that has worked in your classroom for the forthcoming meetings. I have already received some proposals from our members and I am trying to schedule them. Here, I would like to encourage first-time presenters. You can also give a co-presentation with a colleague of yours.
