

WELCOME TO ALL DUBAI CHAPTER MEMBERS.

Since we are starting our new year with an interesting workshop given by David Palfreyman, I hope many people will attend and enjoy the workshop that he will run twice in the morning of October 27th. I also hope that our members will be happy to show up and meet with others over refreshments and chat about proposals and presentations for our next meetings – we have an IT SIG in November ,for which I am looking for presenters – and in the New year there will be a materials creation evening, a Literature SIG and lots more of interest.

Please make this year a successful one for Dubai with your active participation. With your help, we have so much to learn and enjoy together.

I am also looking for the treasurer and secretary for our organization. Please let me know if you are interested.
